

# The Arts, Culture and the Environment in a Technological Society: Revisiting Jacques Ellul

Les arts, la culture et l'environnement dans la société technicienne: relire Jacques Ellul

**July 8-9, 2022**

McGill University  
Montréal, Canada

*Sponsored by the  
International Jacques  
Ellul Society (IJES)*

This two-day conference provides a forum for an international exchange of knowledge, insights, and perspectives on the role of the arts in a technological society, paying particular attention to environmental issues in relation to artistic practices and industries.
